In 2017/18, the school received £3,772 of additional funds via LA Pupil Premium funding. This was for four young people from two local authorities.

Some local authorities informed the school that Pupil Premium was not allocated to young people placed in independent provision.

All of the funds received were spent and were allocated as follows:

NB: we ensure all of our pupils have their needs met and often allocate resources towards their personalised packages in excess of the Pupil Premium received. In this case, we record this as 'contributed towards.'
