 - 4.3.1 Colleagues are expected to communicate to each child or young person expectations about behaviour and to ensure that the child or young person understands those expectations in accordance with their age and understanding and individual needs.
 - 4.3.2 Colleagues are expected also to model and maintain at all times the 'five' Priory Group positive behaviours:
 - (a) Putting people first
 - (b) Being a family

 - (b) Accept and follow any guidance provided should any incident of negative behaviour take place during their visit
 - (c) Raise concerns and ask questions in relation to positive behaviour support if they are worried or uncertain.

5 ENSURING SAFETY

- 5.1 We recognise that positive behaviour may not always be displayed and that at times action may need to be taken to keep children, young people and other people safe. This may mean intervening to guide and coach towards positive behaviour, or physically intervening to keep people safe.
- 5.2 We recognise that ensuring safety is paramount.

6 RISK ASSESSMENT: MEETING INDIVIDUAL NEEDS

- 6.1 Each child or young person's Individual Risk Assessment will take into account management and mitigation of known and probable behavioural risks, and these will be aligned with their individual behaviour support plan. Individual Risk Assessments are reviewed regularly in accordance with local procedures.

7 POSITIVE BEHAVIOUR SUPPORT PLANS: MEETING INDIVIDUAL NEEDS

- 7.1 Each child and young person has an Individual Positive behaviour support plan (or a plan which includes positive behaviour management and support planning) to meet their assessed needs.
- 7.1.1 This plan is regularly reviewed and updated in consultation with the child or young person and the key partners in their care and education, in accordance with local procedures. (This should be no less than three times each year, and following significant incidents).
- 7.1.2 Individual Positive behaviour support plans are collaborative, and are intended to enable and encourage each child or young person to take responsibility for their own behaviour, and to develop socially aware behaviours in accordance with their age and understanding.
- 7.1.3 Each child or young person should have access to their own plan in a format which is understandable and meaningful to them.
- 7.2 **Positive behaviour support plans include** the following key information:
- (a) Diagnoses
 - (b) Triggers
 - (c) Vulnerabilities
 - (d) Risk behaviours
 - (e) A profile of their skills
 - (f) Praise points

- (g) Diversions & distractions
- (h) Communication needs
- (j) Strategies for success
- (k) Specific likely negative and risk behaviours and specific strategies for supporting and managing
- (l) De-escalation approaches
- (m) Active, proactive, and reactive approaches
- (n) Physical intervention techniques.

8 TRAINING AND SKILLS DEVELOPMENT

8.1 Site leaders will ensure that colleagues have access to, attend and participate in such training as is necessary for them to deliver effective positive behaviour management and support to the children and young people in their care.

8.1.1 This will include:

- (a) De-escalation skills
- (b) Communication skills
- (c) Team Teach training and
- (d) Any specific training requirements identified in relation to particular sites or individually assessed needs.

9 LISTENING AND LEARNING

9.1 Debrief meetings following incidents are seen as a core source of information for informing and developing positive behaviour support and management. Children, young people and colleagues all have a right to participate in such debriefs, and should feel that their views are listened to and valued.

10 SUPPORTING COLLEAGUES

10.1 Regular colleague supervision meetings and debriefs following incidents are used to ensure that colleagues are supported to understand, reflect on and manage their own feelings and responses to the behaviour and emotions of children and young people. Colleagues have a duty to attend and participate in such meetings.

11 SPECIALIST SUPPORT

11.1 Where an EHC plan requires specialist behaviour support which is beyond the integral provisions of the site, site leaders have a duty to seek the required resources.

11.2 Where specific concerning behaviours not included and addressed in the EHC become evident, and suggest the need of specialist behaviour support which is beyond the integral provisions of the site, site leaders have a duty to identify the resourcing need to the funding authority and to work with them to address the resourcing need.

12 PHYSICAL INTERVENTION

12.1 Please refer to Policy ECS05 Physical Intervention for full details.

12.2 Physical Intervention is always considered to be a last resort, and may only ever be considered when there is a significant risk of injury to any person or significant damage to property, and there is no alternative method of mitigating these risks.

12.3 Physical intervention where used must be reasonable, proportionate, and use no more force than is absolutely necessary.

12.4 The agreed approach to physical intervention used by the group is Team Teach, and the

techniques taught within this programme should be used.

12.5 Recording and Reporting

- 12.5.1 Where restrictive physical intervention has been used these should be recorded within 24 hours of the incident (as with any incident – see OP04 Incident Management, Reporting and Investigation). It is expected that copies will be made available to parents/carers and that information is shared following a serious incident. The SLT should also be informed. Records should be kept in a safe place and all colleagues should have access to it. It remains an important legal document and should be treated as such. (Note that the eCompliance/Datix Incident Form is the primary incident reporting form for all incidents).
- 12.5.2 Schools/Colleges/homes should nominate a behaviour lead to monitor, analyse and take appropriate action in response to the use of physical intervention. Such analysis should consider equality issues including, age, gender, disability, culture and religion in order to make sure that there is no potential discrimination; the analysis should also have regard to potential child protection issues. Analysis should also consider trends in the relative use of physical intervention across different colleagues and across different times of day or settings. This analysis should be reported back to the SLT so that appropriate further action can be taken and monitored.

13 SANCTIONS AND REWARDS

- 13.1 Please Refer to Policy ECS08 Sanctions and Rewards for full details.
- 13.2 Priory Education & Children's Services believes in the principles of reflection and giving children and young people the opportunity to 'put things right' and seeks to adhere to these principles in relation to promoting and supporting positive behaviour.
- 13.3 Meaningful rewards and sanctions, and 'Consequences' are agreed at site level and described in both local procedure and young people guides, taking into account each young person's age, abilities, understanding and individual needs. Sanctions and Rewards will always be proportionate, fair and reasonable.
- 13.4 All colleagues work to support children and young people in making positive choices and understanding consequences of actions and behaviour.
- 13.5 Sanctions which are **never** acceptable are:
- (a) Corporal punishment
 - (b) The restriction of contact and communication
 - (c) The withholding of food or drink, sleep, medication, personal aids and equipment required for a disability, clothes
 - (d) The requirement to wear distinctive or inappropriate clothing
 - (e) The imposition of a financial penalty other than reasonable reparation
 - (f) The imposition of group punishments for the behaviour of an individual
 - (g) The involvement of any child in the punishment of another.

14 COUNTERING BULLYING

- 14.1 Please Refer to Policy ECS03 Countering Bullying for full details.
- 14.2 All young people have a right to feel safe and happy at school and at home and in the community, and not to suffer bullying, intimidation or exploitation from any source. All Priory sites work to ensure that children and young people are effectively safeguarded from bullying and do not bully, intimidate or exploit others, understanding that bullying is always unacceptable.
- 14.3 To support this policy all colleagues, as part of their induction and ongoing training and

professional development, receive training in recognising and managing bullying. This includes training in de-escalation of confrontations between children, understanding and communicating to children that bullying is always unacceptable, and skills development in relation to recognising incidents or indications of bullying and how to deal with them promptly and proactively.

15 NECESSARY SEARCHES

15.1 Please Refer to Policy ECS07 Necessary Searches for full details.

15.1 Occasionally searches and room searches for prohibited items may be necessary to ensure safety and safeguarding. Such searches can only take place according to current national guidelines, with due regard for consent. Intimate searches can never be undertaken.

16 EXCLUSIONS

16.1 Please Refer to Policy ECS S&C 37 Exclusions for full details.

16.2 The use of exclusion from Priory Schools and Colleges is a last resort and is only ever considered when all other options are ineffective. In all Priory Schools and Colleges extensive steps to resolve problems are taken prior to any consideration of the use of exclusion. Any such exclusion must adhere to current policy and legislation.

16.3 Children and young people can never be excluded from children's homes placements.

17 POLICE INVOLVEMENT

17.1 Please Refer to Policy ECS09 Police Involvement for full details.

17.2 Sites should actively seek to minimise and avoid police involvement in relation to children and young people's behaviour wherever reasonably possible by using agreed individual strategies and techniques. In exceptional circumstances where immediate safety requires police involvement sites will act according to the police intervention policy a (ECS49) and their local procedures.

18 ANALYSIS AT SITES

18.1 Each site will ensure a robust system is in place for analysis of behavioural incidents, and learning from findings which will be described in their local procedure.

19 POSITIVE BEHAVIOUR SUPPORT LEADS

19.1 Each site, or small cluster of sites will nominate a colleague to act as their Positive behaviour support Lead, in accordance with the indicative role description provided [ECS SD 04a](#).
