

Progress School Charter

The Progress School Charter reflects our core values and underpins everything we do to ensure that everyone is

- happy
- understood
- treated equally and with respect
- valued for their unique contribution
- able to try without fear of failure
- defined by their future not by their past
- encouraged to be the best they can be

We Belong.

(Rule of Law.)

We are proud of being a part of Progress School.
We make decisions and choices that are acceptable in school and in the community.
We celebrate the achievements of others .

We are Curious.

We want to learn more and are not limited by boundaries.
We ask questions.
We explore.

We are Kind.

(Mutual Respect.)

We treat others with respect.
We have respect for ourselves, others and our environment.
We help others in need.
We try to understand the feelings of others.

We Celebrate Our Differences.

(Tolerance)

We respect each other and recognise that we all have different qualities.
We are all different but our individuality is always encouraged.
We understand that as individuals we have different strengths and weaknesses, likes and dislikes.

We are Independent.

We work with others to become more independent.
We use our own method to communicate to others.
We are able to attend to our personal care.
We are able to cross roads and use public transport safely.
We are able to interact with others in the community eg. Paying for items in shops .

We are Resilient

We are positive and enthusiastic in everything we do.
We always try our best especially when things are challenging.
We always try to be better at what we do.

We are Good Communicators.

(Democracy.)

We are all different and communicate in different ways.
We all have a voice and each voice is valued.
We listen to others.
